- [Personal Portfolio](#)

Languages

- English** (Professional)
- Hindi** (Conversational)
- Marathi** (Conversational)
- Kannada** (Native)

Family Background

- Father:** Mr. Anil Patil – Works at Mphasis (IT Service Sector)
- Mother:** Mrs. Shobha Patil – Teacher at Aaryans World School
- Elder Sister:** Nisha Patil – Pursuing Third Year B.E. in ENTCT at Bharati Vidyapeeth Women's College

Education

Current Studies:

Oct 2024

- B.Tech in Computer Science and Engineering (**AIML**), Vishwakarma Institute of Technology, Pune.
- Semester 1 Performance: 8.9 SPI and CPI

Past Studies:

Mar 2021 - Apr 2024

- 10th:** Bharati Vidyapeeth English Medium School, Pune, CBSE, **91.80%**.
- 12th:** Sarhad College of Arts, Commerce & Science, Pune, MSBSHSE, **89.33%**.

Achievements

- 1st in ZP-level hurdles **Nov 2021**
- Two-time 10 km marathon winner **Jan 2023 & 24**
- B grade in Elementary & Intermediate Drawing **Feb 2020 & 21**
- School topper in 10th-grade Science **May 2022**

Strengths & Weaknesses

Strengths:

- Highly dedicated — once I take up a task, I ensure it's completed thoroughly
- Strong problem-solving and analytical skills
- Good time management and multitasking abilities
- Focused and committed to goals with a result-oriented mindset

Weaknesses:

- Communication skills
- Public speaking
- Reluctant to say "no"

Technical Projects

DawaTrack - Smart Medicine Management System -ASEP1 Project (6 members)

Built a health-focused platform integrating medicine tracking and real-time vitals monitoring

Color Detection using Arduino -Applied Electromechanics Project (5 members)

Developed a sensor-based system using Arduino to detect and classify colors

Angry Bird Game -Python Project (5 members)

Created a basic game simulating physics-based which includes gravity

GDSC Club Website -Web Development Project (self)

Designed responsive, user-friendly website for student club

Sports Department Website -Web Development Project (4 members)

Designed responsive, user-friendly website for Indian government

Encryption & Decryption Tool -PSAP Project (5 members)

Implemented a basic encryption-decryption algorithm to understand logic and security

Presentation-Based Projects

Quantum Cryptography & Secure Communication -LAADE Presentation Project (6 members)

Presented a case study on quantum communication and its relevance to data security

Cache Memory & Address Mapping Techniques -COAA Group Presentation (5 members)

Delivered a presentation explaining cache types and address mapping strategies

Bootstrap 4 & 5.x Deep Dive -Web Development Presentation (4 members)

Explained advanced components and utilities of Bootstrap framework

Mental Awareness & Food Affordability -SWD Presentation Projects (6 members)

Presented on real-world challenges related to mental health and child nutrition accessibility

Social & Activity-Based Projects

Shaniwar Wada Cleanup Initiative -SWD Social Work (6 hours)

Participated in a public cleanliness and heritage conservation campaign

Empowering Senior Citizens with Digital Literacy -Student Activity Project (6 hours)

Conducted training sessions to help senior citizens use smartphones and the internet

Certifications

Infosys Springboard Certificates

SEM1:

- | | |
|-------------------------------------|-----------------|
| • Basics of Python (1h 18m) | Nov 2024 |
| • Python Programming (5h) | Nov 2024 |
| • Data Analysis Using Excel (3h 4m) | Jan 2025 |
| • Artificial Intelligence (6h 18m) | Jan 2025 |
| • Robotic Course (1h 24m) | Jan 2025 |
| • C Programming (8h 49m) | Jan 2025 |

SEM2:

- | | |
|--|-----------------|
| • Introduction to Artificial Intelligence (70h) | Jan 2025 |
| • HTML5 (13h 17m) | Apr 2025 |
| • CSS3 (10h 45m) | Apr 2025 |
| • Javascript (15h 34m) | Apr 2025 |
| • Introduction to Deep Learning (5h) | Apr 2025 |
| • Introduction to Natural Language Processing (3h) | Apr 2025 |
